Ideas Brought To Life™

## Description

NHK Laboratories Inc. is an NPA/NSF/FDA CGMP, ISO 9001:2000, CCOF and QAI Organic, and ISNA Halal-certified custom formulator, contract manufacturer, and contract packager of private-label dietary supplements. Established in 1987, we operate two state-of-the-art facilities on more than 90,000 sq ft in Santa Fe Springs, CA and employ approximately 100 highly qualified people. In an effort to better serve our many international clients, we also have offices in Dubai, United Arab Emirates. With a fully equipped in-house analytical and microbiological laboratory, we have the technical expertise and infrastructure to ensure product purity, potency, and efficacy.

## Services

Our contract manufacturing and contract packaging services include:

- Two-Piece Capsules
- Tablet Compression
- Aqueous, Sugar, and Enteric Coating
- Label Design & Printing
- Turnkey Packaging
- Formulation & Product Development

As a turnkey packager, we can also help you design and print your product labels. Finally, as per the new FDA GMPs regulating dietary supplements, we have a fully staffed and equipped analytical and microbiological laboratory. From stability testing to validated qualitative and quantitative test methodologies, we can ensure product purity, potency, and efficacy.

## Products

Some popular products that we manufacture include:

- Multivitamin and Multimineral Formulas
- Joint Formulas
- Antioxidants
- Herbal Supplements
- Weight Loss Formulas
- Sports Nutrition Products

More importantly, as a custom formulator, we can assist in the formulation of new dietary supplement products not yet on the market.

## Clients Served

We serve clients around the world. Our customers are located in North America, South America, Europe, Asia, and Africa. We are highly experienced and proficient in dealing with foreign regulatory requirements. Additionally, our private-label dietary supplements are sold in independent and mass-market specialty retailers, discount mass-market retailers, e-commerce retailers, multilevel marketers, wholesalers, and pharmacies.
